Size of plot required: approx. **5 rods / 2.5 rods** (delete as necessary)  
(1 rod = approx. 25 sq. metres)

It is our experience that many people take plots that are larger than they can reasonably cope with. We offer plots in two sizes: a) 5 rods – approx. 10m x 12m, b) 2.5 rods – approx. 7m x 7m. On some sites it may be possible to have a smaller size plot. Please choose a site you know you will cultivate. Smaller plots normally become available more quickly.

Is a particular plot preferred? **YES / NO**

If yes, please specify which site:
